FLEXiBLE TiMES

SARM workshop is open to all members from 9:00 am to noon on the first full weekend of the month. Our workshop officers Pam & Don are very knowledgeable in lapidary art, rock and gems, rock tumbling steps, cabochon cutting, grinding and polishing machines etc. They are lifetime members of the club, and they are happy to help you get started with your rock projects.

The Workshop is fully equipped with tools to make cabochons from start to finish, as well as a small kiln for dichotic glass work and also jigs for wire working. In addition, rough stones and materials are available at the shop for members to practice on.

If you are not able to attend the workshop during the hours, please call (949) 548-0752 and ask for alternate times to visit the shop.
